<b>Name of Sub-Committee/Strategic Issue</b>	<b>Convener/Members</b>
1. CCRC: Linkage of wide range of housing and service options – no solid definition	Dave Herbel (leader), Shirley Woodruff, Lori Coplin, Roger Myers, Gary Heidel, Dan Doezema,
2. Independent Elderly/Services Linked to Existing Housing (combines two strategic issues): Review seniors in rental and home ownership situations.	Dan Doezema (leader), Tina Abbate Marzolf, Mary Rehberg, Glen Wilson, Bob Thompson, Pat Kremenski, Clio Hanks
3. Combining Housing Choice Vouchers w/MI Choice Medicaid Waiver	Earlene Traylor Neal (leader), Tina Abbate Marzolf, Shelley Kritzman, Gabe Labovitz, Sharon Carlson, Barbara Tolbert
4. Preservation of Section 202	Laurie Coplin (leader), Emmanuel Odom, Gabe Labovitz
<p>Sub-committees will meet to review the literature relative to the strategic issue/issues over the course of the next 6 weeks. Then the entire workgroup will meet again in mid-September. Next deadline is October 11<sup>th</sup> to finalize research findings on strategic issues. This data will go to the core committee and be presented to the Board of Directors (BOD) sub-committee.</p> <p>The purpose of sub-committee work is to capture greater content/information relative to the strategic issues.</p> <p>Following October, the subcommittees will begin drafting recommendations. Draft recommendations are due November 8, 2005. We will want to draft SMART objectives (Specific, Measurable, Realistic, Timed). We shall strive to write objectives/strategies that begin with verbs (i.e., initiate; develop).</p> <p>These recommendations will be presented back/reviewed by the entire workgroup prior to going to the MSHDA BOD.</p>	
<b>Research Assignments:</b>	
<ul style="list-style-type: none"> <li>• Tina will get the AAA 1-B congregate senior housing report before the next meeting.</li> <li>• Erlene will get information about the housing preferences of seniors in Detroit, Dying before their Time, and NFTI final report.</li> <li>• Dan Doezema will provide group with the housing recommendations, which will be presented at the White House Conference on Aging in December 2005.</li> <li>• Gary will check on website capabilities to house research.
